

Athletic Eligibility

Island City Academy believes academics take priority over athletics. With this in mind, we are adhering to a strict guideline of eligibility. The students must have all grades at a C- or higher in order to participate. For students who are not eligible, they are expected to attend practice and work on their schoolwork. Eligibility will be determined on a weekly basis and students will not be eligible until the following week.

For students who participate in sports at the local middle schools, they will be subject to their eligibility requirements. Island City Academy will provide the current grades for each student participating in the local schools athletic programs.
